

# 50K Coin Challenge

**Join us in recognizing our Public Safety community and the amazing work they do!**

The FBINAA Charitable Foundation remains ready to respond to assist our law enforcement family and partners when the time comes; whether it is a financial burden due to a health concern, a line of duty death, a natural disaster, or providing a scholarship. We are dedicated to our professionals who serve your community.

## Take the Challenge

The FBINAA Charitable Foundation has partnered with SymbolArts to create an honorary challenge coin with the purpose of supporters taking the “challenge” of gifting them to the first responders in their life and in their communities. A portion of the proceeds will go towards funding the many services offered by the Foundation to law enforcement officers in need.

## YOUR LOGO & NAME ON A FIRST RESPONDER COIN!

# FBINAA Charitable Foundation 50K Challenge Corporate Partnership Program

### What is the 50K Challenge?

The 50K Challenge has been created, in partnership with SymbolArts, as a way to say thank you to the thousands of first responders who put their lives on the line every day to protect our communities and freedoms. Our goal is to sell 50,000 coins with our portion of the proceeds providing assistance to our members through the Charitable Foundation. This program is an opportunity for you to help recognize our public safety community and the amazing work they do. Join us in taking the ‘challenge’ by gifting a limited edition, commemorative coin to someone who has touched your life, been a mentor, a volunteer, colleague, someone who helped out in a difficult situation or to simple say, “Thank you for what you do.” These coins also make a wonderful gift for company golf tournament participants, training and conference attendees.

### Why is this program important?

Can you imagine knowing your home is likely being burnt to the ground, destroyed by flooding waters or being demolished by a tornado? Yet, while these disasters are occurring, our members as law enforcement leaders’ are out in their communities helping others. Or the devastation a family must endure when their loved one is killed in the line of duty. The sale of these coins will help, in a small way, alleviate some of their financial burden.

### How can your company help?

By partnering with our Foundation and becoming a corporate sponsor. This is an opportunity to encourage and promote positive interaction between your company, the community and the men and women who work tirelessly and usually thanklessly to keep us safe in the communities they serve and protect. Ask your employees to take the challenge and post a video on your social media platforms for the public and first responders to view. Email it to the Foundation so we can upload onto our website.

### Thank you for your support!
